

# Teknilux

**Teknilux TEK-HO 200 and TEK-VE 200** are recessed round architectural compact fluorescent downlights with a decorative silvergrey painted bezel. They can be used in a variety of ceiling types with a thickness ranging from 0 to 22 mm (0 to 0.87").

**Teknilux TEK-VE 200** is a recessed downlight with a vertical lamp position for compact fluorescent and E27 lamps. The reflector is made of 99.95% aluminium and is anodized dual finished polished/matt.
